Kärtner Ring 1
1010 Wien
Austria

Our Sign : RRU
Date : 15.09.2026

Certificate of analysis 26042701 - 015

Sample name : RunCollg Mag - GymBeam green apple - 400 g

Marking of sample : 1 x 400 g L245546 082028

Customer No. : none

Packaging : Commercial package

Sample amount : 1 x 400 g

Shipping of sample : Courier Service

Sample entry : 28.08.2026

Entrance temperature : Room temperature

Sample taken : by sender

Begin/end of analysis : 28.08.2026 / 15.09.2026

The test results apply only to the test items described in the report. No responsibility is accepted for the validity of the results if any data or information provided by the customer may affect them. Data provided by the customer are clearly identified. The laboratory assumes no responsibility for the sampling including minimum quantities unless it was carried out by samplers from a company within the GBA Group or on its behalf. In this case, the results apply to the sample as received. The test report may not be published or reproduced, in whole or in part, without the written consent of the issuing company. The general terms and conditions are available at <https://www.gba-group.com/en/general-terms-and-conditions/>.

Test Results

Chemical/Physical Test	Result	Unit	Declaration	± MU	MU[%]	MU Source
Ascorbic acid	2437	mg/100 g	2602	487	20	I
Magnesium	1252	mg/100 g	1220	188	15	I
Hydroxyproline	10,6	g/100 g		1,1	10	I
Collagen, calculated from Hydroxyproline, F: 8	84,8	g/100 g	81,3	8,5	10	I

Assessment:

Results of vitamins and minerals analyses meet the details of the nutrition labelling regarding the tests carried out (cf. Guidance document of the EU Commission with regard to the setting of tolerances for nutrient values declared on a label in food supplements from December 2012).

Result of collagen corresponds to the declared value with sufficient accuracy.

Hamburg, 15.09.2026
